MEMORANDUM FOR:

Director of NRO Staff

SUBJECT:

NRP Support of DoD Positioning Requirements

25X1D

1. As you know, COMIREX reluctantly decided that we could not afford to use Mission 1104 in the [redacted] to provide information of assistance in meeting the DoD requirement for geodetic accuracy.

2. I have asked the COMIREX Mapping, Charting, and Geodesy Working Group to study alternative ways of helping meet this need, and would appreciate it if you would allow your staff to work directly with them in the development of alternative proposals that might be prepared for COMIREX consideration.

25X1A

[redacted]

Chairman, COMIREX
